

SIMATIC ET 200SP, 5 BU covers, 20mm for protection of empty slots

Figure similar

General information																																											
Product type designation	BU cover																																										
Ambient conditions																																											
Ambient temperature during operation																																											
• min.	-40 °C																																										
• max.	70 °C																																										
Altitude during operation relating to sea level																																											
• Installation altitude above sea level, max.	5 000 m; Restrictions for installation altitudes > 2 000 m, see manual																																										
Dimensions																																											
Width	20 mm																																										
Height	73 mm																																										
Depth	35.3 mm																																										
Classifications
