

Data sheet

6ES7193-6MR00-0AA0

SIMATIC system rail, length 482.6 mm for 19" cabinet with DIN mounting rail according to EN 60715 (35 × 7.5), with 6 mm profile grooves, B type

Mechanics/material																																					
Surface design	galvanically tin-plated																																				
Material	aluminum																																				
Dimensions																																					
Width	482.6 mm																																				
Height	150 mm																																				
Depth	22.5 mm																																				
Weights																																					
Weight, approx.	1 200 g																																				
Classifications
