

Data sheet

6ES7274-1XK30-0XA0

SIMATIC S7-1200, Simulator module SIM 1274, for CPU 1217C, 14 input switches, 10x 24 V DC inputs, 4x 1.5 V differential inputs

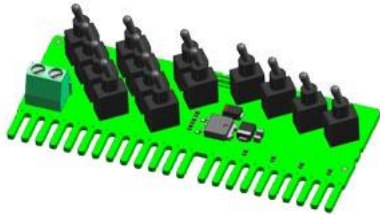

Figure similar

General information																																											
Product type designation	SIM 1274, 14 DI																																										
Digital inputs																																											
Number of digital inputs	14																																										
Digital outputs																																											
Number of digital outputs	0																																										
Analog inputs																																											
Number of analog inputs	0																																										
Analog outputs																																											
Number of analog outputs	0																																										
Dimensions																																											
Width	93 mm																																										
Height	40 mm																																										
Depth	23 mm																																										
Classifications
